

Introducing the 304

The best faucet, constructed with 304 Grade Stainless Steel components.

Style! Purity! Quality!

Our newest faucet features 304 Grade Stainless Steel (body and shaft assembly).

Excellent for dispensing beer, wine, water, spirits.

304

- The best in purity - only 304 grade stainless steel touches the beverage.
- Stainless Steel lever is more durable than brass when used with tall, heavy handles.
- Highly polished exterior surface for a brilliant chrome-like finish.
